Dear Ms. Gray:

Further to our discussion of today, enclosed are six (6) sheets of drawings which are part of Application No. 09/421,953 and a copy of Form PTO 948.

As we discussed, the undersigned spoke with the Primary Examiner for this application, Victor R. Kostak, on June 12, 2001 and he agreed that the fading concept of the transparency is integral to the invention. The undersigned does not know of any other way to depict the concept.
